NavePoint 24U Mid-Depth Server Cabinet, 33 in, Perforated Door

SL-2BA-001H-001G5 (Newegg ID; NavePoint MPN not listed)

RACKS & CABINETS

A 24U rolling floor-standing server cabinet, 33 in deep, with a perforated locking front door, locking side and rear panels, casters and leveling feet. We use it in telecom rooms and offices that need a lockable enclosure for switches, patch panels, NVRs and small servers.
